In 1993 I rcvd a letter from James D. Collins, 2120 South LaSalle Road, Seneca, Ill. (815) 357-8418. He wrote that he was researching his relative, William Meagher, who "was in Ottawa at the time Ellen's father Michael Maher was there and Michael sold William a lot in East Ottawa. In doing my Meagher lines I also did Michael Maher's family. I did some on Margaret m John Downey, Patrick m Mary(?), Mary E. m Will Ford & L. Martin Kelly & Ellen Maher are buried in St Columba in lot #391.....Martin Kelly & Marg. Redmond are in the John P. Anthony household in Ottawa 1860 census. They were married in 1861. Martin is 20, Margaret 17. (Jim Collins is mistaken. Margaret Redmond was Martin's mother, not his wife. gif March 2002)

There were two Martin Kelly's living in LaSalle County at this time.

On May 4, 1865 Martin Kelly married Bridget Gallagher at St. Columba Church. Witnesses were Martin Crawford and Ellen Crawford.

Both Martin Kelly's enlisted in the Union Army at the outbreak of the Civil War according to History of LaSalle County, Chicago, H.F. Kett & Co., 1877.

One enlisted Dec 6, 1861, deserted Dec 9, 1862. He was in the 55th Infantry, Co.A.

The other enlisted Jan 4, 1861, mustered out Aug 14, 1865. Cogswell's Battery Light Artillery.

There is a statement made by "Barton" Kelly and marked with his X.

"Statement of Barton Kelly, Cogswells Ill Ind Batt'y

I was mustered into the United States Service January 25th, 1864 at Springfield, Ill. I received \$75.00 bounty and was sent to Camp Butler at Springfield, Ill. On or about Feby 1st, 1864 I left camp with a squad of recruits to join my battery. I left the squad the same day at Indianapolis, Ind without permission. Oct 2nd, 1864 I enlisted in the 22nd Regt, N.Y. Cov., at East Troy, N.Y.. I received \$200 bounty and was sent to Harts Island, N.Y. Harbor. Oct 5, 1864 I gave myself up as a member of Cogswells Battery to the Provost Marshall at Harts Island. I was committed by him to prison and forwarded to this prison. I gave the Provost Marshal the bounty I received at Troy N.Y. and told him to send it to the proper officers."

In his enlistment he stated that he was born in Ireland and was a "boatman". He had blue eyes, dark hair, light complexion and was 5'7".

There are three "Battery Muster Rolls" from Cogswells Indpt Batt'y. The ones dated Mch & Apl 1865 and May & June 1865 read the same. They show him to

be present and "Sentence of the Court in the case of Private Martin Kelly published in G.O. No. 85 Hd Irs Military Governor Alexandria, Va Jan 29, 1865. To be returned under guard to his battery for duty with loss of all pay and allowances due. To make good all time lost by absence and to forfeit ten dollars per month of his monthly pay for the period of eighteen months. The third Batt'y Muster Roll is dated Springfield, Ill August 14, 1865 and shows that he was last pd to Feb 3, 1864. It states there was no clothing settlement made to him and notes that \$15.70 is due to the U.S. and that he had been advanced \$48.20 for clothing in kind or money. Further states "Deserted Jan 25, 1864 at Lafayette Junction, Ind. Sentence of the Court in the case of Martin Kelly published in G.O. No. 85 Hd Ins. Mill Governor Alexandria, Va Jan 29, 1865. To be returned under guard to his battery for duty with loss of all pay..." There was a Notation made by the War and Pension Office of the War Department on Oct 17, 1899 that this man deserted and that "The notation of April 20, 1878 is cancelled"

The relative Martin Kelly was married June 10, 1861 but he could have gotten leave to marry. The deserter enlisted Dec 6, 1861 and the Light Artillery Martin Kelly enlisted Jan 4, 1861.

Past and Present of LaSalle Co, A History of LaSalle Co., U. Hoffman, S.J. Clarke Pub Co., Chicago, 1906. pg 11.

Martin Kelly, a representative of agricultural interests in LaSalle County for many years and now living a retired life in Ottawa, represents one of the old and prominent families of this part of the state. His birth occurred in this city November 24, 1841, when it was little more than a village. The parents were James and Margaret (Redmond) Kelly, who came to the new world from Ireland in 1830, having heard favorable reports concerning the opportunities of the new world from those who had already braved the dangers incident to an ocean voyage at that time. Arriving in New York city, they travelled westward to Buffalo, where they resided for a few years and thence came to LaSalle County, Illinois, settling in Ottawa in 1837. James Kelly was a stone mason by trade and soon secured work in Ottawa and vicinity in putting up buildings, laying cellar walls and foundations for dwellings, stores, churches and other structures. He was a very industrious, honest man, who did his work conscientiously and well and therefore merited the success which came to him. Later he removed to a farm, upon which his death occurred in 1855, his wife long surviving him, passing away in 1893. In their family were six children who reached mature years, namely: John W., Martin, Maria, now the wife of John Bailey of Chicago; James, of Ottawa; Catherine, now the wife of Michael J. Fin, of Chicago; and Margaret, who is Mrs DeForest Smith, also of Chicago.

Martin Kelly attended the public schools of his native city to the age of sixteen years, when his parents removed upon a farm and he accompanied them. He greatly enjoyed his life amid the fields upon the broad prairies of Illinois and to his father gave the benefit of his service, remaining at home until twenty one years of age, when he began farming on his own account, purchasing one hundred and sixty acres in Jasper county. There he carried on general agricultural pursuits for many years, adding many modern improvements to his property, and through his capable management and enterprise winning success in his undertakings. He resided upon that farm continuously until his retirement from active life, when he took up his abode in Ottawa.

Mr Kelly was married in 1861 to Miss Ellen Meagher, a daughter of Michael and Catherine (Peters) Meagher. This union has been blessed with six children: Margaret, now the wife of Richard Halligan; George J., who is general manager of the large department store of Martin Brothers at Sioux City, Iowa; Henry M., who is represented elsewhere in this work; Mrs Catherine Hackett, now of Chicago; Mary, the wife of John Golden, a prominent attorney of Tolono, Illinois; and Flora, now the wife of David Finnigan, who resides in Streator. Mary, Henry and George were graduated from the Ottawa high school. Both Mr and Mrs Kelly now reside in Ottawa in a pleasant home, enjoying the fruits of their former toil. They are esteemed people of the community, having a large circle of warm friends.

Married:	June 10, 1861
Beginning status:	Married
in:	St Columba Church, Ottawa, LaSalle, Illinois.

Marriage Notes

A typed transcript of the bible of Martin and Ellen gives the marriage date as June 10. Aunt Flora's notes show it as January 10. Jim Collins has it as Jun 17, 1861.

Martin Kelly gave a deposition on June 17, 1861 to the effect that he was under the age of twenty one (he was 20) and his father was dead and he had no legal guardian, and his mother had no objection to his marriage to Ellen Maher. It seems unlikely that he would have given a deposition after the marriage but that appears to be the case. Her name was spelled Meagher in the deposition but she signed it Ellen Magher.

The LaSalle County Clerk's Office does not have a copy of the marriage license or application.

Jim Collins wrote in 2002 that the wedding witnesses were John Feeney and Margaret Maher.

Ellen Kelly's gravestone in St Columba Cemetary gives her death as 1916. The newspaper obituary says it was Dec 10, 1916. No conflict. But the notes from Flora Agnes Kelly and the will of Ellen Kelly say Dec 17, 1916. There is no dispute about her burial date; it was December 19.

The 1880 census of LaSalle County would make her birth in Ire 1841-1842. Her gravestone says 1838. The newspaper obit says Dec 21, 1838.

The Death Record

Miss Nellie Hackett, oldest daughter of Mr and Mrs James Hackett, died at the home of her parents in Chicago yesterday morning. She had been ailing but a short time with typhoid fever and her untimely death was a great shock to her parents, relatives and friends. The remains were brought to the home of Mr and Mrs Martin Kelly of East Ottawa, the parents of Mrs Hackett, today over the Rock Island road arriving at 3:50 p.m., where the same shall remain until Tuesday morning. H.M. Kelly and his sister, Flora, went to Chicago yesterday and accompanied the remains to this city.

Not long since an Irishman named Meagher, residing on Columbus st near the canal, found a paper of what he supposed to be Epsom salts, and took it home for future use. On Monday last his wife took a tablespoon of it, and in 30 minutes she was dead! (The last three words are in italics in the original) A chemical analysis of a portion of the article remaining was made by Dr Harris, who found it to be oxalic acid, (salts of lemon) [Last three words parenthetically in original].

We do not know which is the most reprehensible, the carelessness, not to say guilt of those who threw into the street a virulent poison, so liable to be mistaken for a harmless medicine, or the foolhardiness displayed in using a drug so obtained.

My father one told me that his mother's brother George lived in Aberdeen, South Dakota. Ellen (Maher) Kelly's will confirms that he lived in Aberdeen, S. Dakota .

Past and Present of LaSalle County, Illinois says that he was General Manager of Martin Brothers Department Store in Sioux City, Iowa in 1877.

The Kelly bible gives his birth as March 31, 1864 but the St Columba Church baptismal record shows his birth as March 30, 1863. Jim Collins has it as 1865.

See the clipping under Notes for his marriage. It says he was an employee of Mandel Bros in Chicago for five years.

Marriage Notes

There is a newspaper clipping in the Kelly bible. It is pasted onto the same sheet that has the news articles about the Golden-Kelly wedding and the other clipping about the Nellie Hackett & Cora Meagher funeral.

The marriage of George J. Kelly, son of Mr and Mrs Martin Kelly, East Ottawa, to Miss Lucy Cunningham of Chicago was solemnized at the Holy Name(?) Cathedral in Chicago with a --- high mass on Wednesday morning last. William Bailey, the ---- of the groom, acted as best man while Miss Flossie White attended the bride. After the ceremony which was most beautiful and impressive, the contract parties, with their immediate relatives, repaired to the home of the parents of the bride, where an elaborate breakfast was served. Mr and Mrs Kelly now reside in Chicago, Mr Kelly being an employee of Mandel Bros whom he has served efficiently for five years la(illegible) past. The happy couple were the recipients of many costly and beautiful presents. Mr Kelly is well known in this city where he was raised and has a host of friends. The bride is the daughter of Mrs Amelia Cunningham of Brighton Park, Chicago, Ill. The many friends of Mr Kelly in this city all join in extending to him and his wife a long and happy married life.

My father once told me that his mother had a brother, Henry, who was a lawyer and he lived in Michigan. He had a daughter and four sons, all lawyers. One became governor of Michigan.

Henry M. Kelly was the senior member of the law firm of Kelly, Kelly and Kelly in this city. His sons; Harry F., former state's atty of LaSalle Co, and present chief asst prosecuting atty of Wayne Co, Mich, and Emmett, present sherriff's legal advisor of Wayne Co, were associated with him in his law office in Ottawa. He left here about ten years ago. Lives at 2728 Buel block, Detroit, Mich.

pg 187 Henry M. Kelly. Simply by hard work and consciencious endeavor, couple with more than ordinary ability and a liberal use of brain matter, Henry M. Kelly has placed himself in command of a legal practicethat is extremely extensive and lucrative. Mr Kelly is one of that class of men who absolutely refuse to let circumstances control their destiny. Without the backing of wealth and influential relatives and friends, he determined at an early age to become a lawyer, and no circumstance that arose, however discouraging, could shake him from that decision. By sheer determination and steady application he attained the point where he could hang out his shingle, and his success has been constantly growing, from that day to this. While he has always been an ardent Democrat politically, Mr Kelly has never sought nor has he held public office. He was born in this city in 1865 and graduated from the public and high schools. In 1885 he went with his parents, Mr and Mrs Martin Kelly, to a farm in Indiana but returned three years later to commence the study of law with the late George W.W. Blake, at that time state's attorney of LaSalle County. He received admission to the bar in 1891 and for two and one half years was assistant state's attorney. From then until 1897 he was in partenership with Mr Blake but since that time has practiced alone. May 29, 1894, Me Kelly was united in marriage with Miss Mollie Morrissey of this city and they have nine children-

Henry M. Kelly, one of the successful practitioners at the bar of LaSalle county, was born in Ottawa-the city of his residence-May 22, 1865, his parents being Martin and Ellen (Meagher) Kelly, who are represented elsewhere in this work. He pursued his education in the public schools of Ottawa, passing through successive grades until he was graduated from the high school at the age of eighteen years. Putting aside his textbooks, he at once entered the employ of the Chicago, Burlington and Quincy Railroad Company, with which he remained for two years and on the expiration of that period he resigned in order to accept a better position in the service of the Chicago & Rock Island Railroad Company, also representing that company for two years. While thus engaged he spent all of his leisure time in the study of law in an earnest endeavor to prepare for the profession which he had determined to make his life work. On leaving the railroad service he entered the office of George W.W. Blake, under whose direction he pursued his studies until admitted to the bar before the supreme court of Ottawa in 1891. He continued with Mr Blake for some time and was assistant state's attorney during Mr Blake's incumbency as state's attorney for two years. Subsequently he entered into partnership with his former preceptor under the firm style of Blake & Kelly, which relation was maintained for three years. Since the dissolution of the partnership Mr Kelly has been in practice alone and his labors have been attended with excellent success.

In 1894 occurred the marriage of Henry M. Kelly and Miss Mary Morrissey, a daughter of Lawrence Morrissey, at that time sherrif of LaSalle County and now superintendent of the county asylum. Mr and Mrs Kelly have a beautiful home in Ottawa which he erected in 1895 and which is graced with the presence of seven children: Harry and Marie, twins,; Emmett; Melville; Katharyn; Laura and Lawrence.

Mr Kelly hold membership relations with the Knights of Columbus, being a Sir Knight of his lodge, and was a delegate to the national convention of that order in California. He is a man who has brought his keen discrimination and strong intellect to bera not only in professional paths but also for the benefit of the city which so long has been his home and with whose intersts he has been so thoroughly identified. He holds and merits a place among the representative legal practitioners of Ottawa and the story of his life, while not dramatic in action, is such a one as offers a typical example of that alert American spirit which has enabled many an individual to rise from obscurity to a position of influence and reknown soley through native talent, indomitable perseverance and singleness od purpose.

A half a century ago, Kelly was the ruling member of the Kelly clan. He was born in Ottawa, Ill., went through high school and studied law at the University of Michigan, starting practice 60 years ago. His eldest child, Harry Kelly, was born while he was in the military. When Harry Kelly returned from the service in World War I, he, too, was a State's attorney.

Shortly after that, Henry Kelly moved the family law office to Detroit. Here he brought in his sons into partnership. Harry, Lawrence E., and E. J. Another son, Walter, left the firm recently. Of the Kelly brothers, only one, J. V. is not an attorney.

Henry Kelly retained his law office, and directed the firm's activities throughout, only rarely giving up his habit of frequent trips to court.

Surviving are his wife, Morrissey Kelly, the five children and two daughters, Mrs. C. Singelyn and Miss Kathleen Kelly. There are 20

THAT KELLY-GOLDEN CASE. *Mrs Driscoll-Moran Says One Thing and the Lawyers Another.*

Several days ago Mrs Driscoll-Moran secured an injunction in the circuit court of Grundy county against Henry M. Kelly and John F. Golden of Morris, prohibiting them from taking judgement on a note for \$6,000 which she says was secured from her by fraud, the attorneys and father Meehan persuading her to give the note to the attorneys as a fee for defending her in an unexpected action to break the wills of Mr and Mrs William Kennedy of Morris who had left her all of their property, amounting to some \$38,000 to \$40,000.

Henry M. Kelly says that the chief allegations of the bill are false. He says that he and Mr Golden took the case for a fee of \$6,000 which they were to receive in the event of winning the suit and, in case it was lost they were to receive nothing. Under the circumstances the fee was very reasonable. They made a contract with her to fight the Kennedy will through the courts, and are still willing to carry out the contract.

She, however, since the signing of the contract, has wished to settle the case and deprive them of their just fees. They hold both her note for the \$6,000 and the will and do not propose to deliver either until the fees due them for services already rendered are paid.

I don't know if this is my father's Aunt Mae or not. On November 28, 1985 he told me that Mae's second husband was named Snell. He died and she came to live with my father's parents in Valparaiso. He said she was mean and that she made the kids clean the porch, it wrapped around two sides of the house, every Saturday.

We know that Mae Snell of Colorado attended the funeral of Bernard Bryan Finigan.

Marriage Notes

An unidentified news clipping in the Kelly family bible shows the same sketches of John F. Golden and May Joseph Kelly that appear on the ribbon. I took a picture of this clipping. Following is the text of that news article.

A PRETTY WEDDING

Marriage of John F. Golden and May Joseph Kelly

UNIQUE AND IMPOSING NUPTIALS

Reception at the Home of the Bride's Parents - a Social Event of High Order- Wedding Presents in Profusion - Eight Bridesmaids and Eight Groomsmen do the Honors to a Popular Couple.

The spacious auditorium of St Columba Church was comfortably filled last evening, the occasion being the nuptials of John F. Golden, of Morris, and Miss May Joseph Kelly of East Ottawa. It was twenty minutes of nine when the bridal party arrived and the large congregation was treated to a unique and, by the way, one of the prettiest wedding services ever seen in St Columba. Rev Dean Keating, assisted by Rev Father Meehan, of Morris, and Rev Father Humphreys of this city, performed the ceremony. At the sound of the wedding march on the organ, the bridal cortege moved down the center aisle of the church in the following order: The eight ushers, led by Mr George Kelly, brother of the bride came in single file, followed by the maid of honor, Miss Flora Kelly, sister of the bride, followed at a respectful distance by the bride and eight bridesmaids two by two. As the march from the entrance began, Rev Dean Keating and the reverend fathers who assisted him came out of the sanctuary accompanied by the groom, Mr Golden and his brother, Will Golden, of Minonk, followed by six altar boys. Arriving at the chancel rail, the groom and his brother stepped out and met the maid of honor and the bride. The ceremony was the simplest form used and occupied not to exceed two minutes, the words being pronounced by Rev Keating, after which the Rev Father Meehan, of Morris, delivered a splendid address to Mr and Mrs John F. Golden on happiness, marriage and its obligations.

The bride was attired in a handsome dress of white silk with lace effects and full veil. The maid of honor wore pink silk with pearl ornaments and the bridesmaids all wore gowns of white nun's veiling.

A reception followed immediately after at the splendid home of Mr and Mrs Martin Kelly, 806(?) East Congress street. It was fully ten o'clock before the congratulations were all said and the 200 guests which assembled, were either comfortably engaged in conversation in and about the house, or on the spacious, (word illegible) lawn which surrounds the beautiful residence of the bride's parents. The house was illuminated from cellar to attic the lawn strung with chinese lanterns, presenting indeed, a fairy scene for few handsomer residences or grounds can be found in the city of Ottawa than those of Mr and Mrs Kelly. A sumptuous wedding dinner was served and it was 2:30 a.m. before the last of the assembled guests had ben fed. The entertainment was of a high order throughout and the event will long be remembered as one of the prettiest weddings ever witnessed in Ottawa.

Mr John F. Golden is one of the firm of Blake, Kelly and Golden, attorneys at law at Morris, a young man who studied and graduated in this city from the office of Attorney General Moloney. His three year residence in Ottawa has made for him a circle of friends limited only by his aquaintaince. As the reverend father from Morris said in his address, he had known him a great many years; he knew him to be a man averse to flattery, but one of whom everything good and nothing bad could be said. The same is true of Mr Golden since his sojourn in this city. He is a model young man, learned in the laws, as shown by the very excellent examination he passed when a candidate for his sheep skin. In short, he is one of the young bar who is attracting marked attention in this city and great things are expected of him in the future.

His bride was born and raised in Ottawa, an exempliary young lady, loved by all who know her and entitled to the respect and esteem of any community in which her lot may be cast. She is a sister of Mr Henry M. Kelly of the firm of which her husband and George Kelly, who is a student in their office. Mr and Mrs Golden will waive the formality of a bridal tour and are ere this ensconsed in their new home at Morris, which was furnished and ready for the bride. And the handsome addition that was received to the furnishings in the line of wedding presents will make of it one of the cosiest homes in Morris, for the list includes everything that is necessary and ornamental in a well regulated household. Silverware in abundance, lamps, odd pieces of furniture, bric-a-brac, mantle ornaments, whole china sets, ding room and toilet linen without stint, in short a magnificent line of tokens showered upon the popular young couple by their many friends. Mr and Mrs Golden will carry to Morris the best wishes and god bless yous of a throng from the cities of Ottawa, LaSalle, and Minonk, where both are well known and much admired.

Souvenir Edition, LaSalle County, Ill Centennial. Directory of Former Ottawa Residents 1831-1931 by Daily Republican Times, Ottawa, Ill. There were a number of Kelly's including George and Henry and one Woodlock. And "Finnigan, Flora, Mrs (nee Flora Kelly) 8545 S. Bennett St., Chicago. Left Ottawa 27 years ago."

On March 13, 1982 my father told me that his mother died after watching Gorgeous George on tv at the home of Jack Nelson. She always got very excited watching wrestling. After watching it that evening she had a mild argument with Jack because he told her it was all fake. She called him a damn fool and went into her room to get ready for bed. A few minutes later they heard her rapping on the wall with one of the canes she used to walk. She died of that heart attack. Years later Jack Nelson would die of a heart attack while watching a Notre Dame game.

In December 1995 Aunt Eileen told me that after the kids were grown her mother took a job selling candy, cigs, newspapers in a kiosk in the El. She wasn't working for the El but for the vendors.

She was supposed to have left this piano behind on one of her moves, Kathy believed this took place in Chgo, because it wouldn't fit. She agonized about leaving it behind and spoke about it often in later life. Kathy thought it would be a worthwhile quest to try and find this piano. I told her that I had never heard of it.

120103 Met with Helen Fedico on 112903. She told me that she was born 1916 and will be 87 in December of this year. She met Finnigans, when she was 16 yrs old, because she knew a family named McGregor who lived in the same apartment bldg as the Finnigans. She began going there practically every day. Called FAK Grandma. Said they rolled up the carpet at G-mas and danced, sang. They lived in an apt bldg at 87th and Blackstone. She never knew Gma F to work and doesn't have any idea where the income came from. Her husband, Eddie, belonged to the same softball team as some of Gma's boys. Called the Calgates. They married September, 1938. Eddie died at age 89 a month before A. Eileen. Helen hung with Dorothy and Flora mostly. She believes Gma F was lvg in Indiana in

1972 when she and eddie moved to California because of his job transfer. Gma Finnigan never told her much about Gpa F. How they met, where she lvd when she first came to Chgo. Helen never met or heard of John & Katie. She said Finnigans went to St Ailbees? church. Helen went to Flora and Dorothy's weddings. Floras in Denver. And she was there when George married Betty. She said that Gma F was a great writer. Wrote a lot of letters to her children. Always wrote just the way she spoke. And she would tell Helen in the letters that she had written to all her other children and now she was writing to her last one. Helen always admired her strength. Even when ill later in life she would never be served a meal in her room. She said Bernard was married and lvg in Chgo and then they moved to Denver (I don't know if this is accurate. I've never heard that Bernard & Opal moved to Denver). She thought too that David's wife, Kathryn, wasn't a Catholic. She was Episcopalian or something like that. I have tape recording of this conversation.
