Dear Harry:

I am most happy to be able to join with your many friends in expressing my best wishes as you return to private life after so many years devoted to public service. Needless to say, we are going to miss you at the Governors' Conferences.

It has been a pleasure to work with you as a Governor during the past four years. In fact, my association with you and the other Governors has been one of the finest experiences of my life. I congratulate you upon your administration as Governor and I am sure that you leave public service with a sense of satisfaction in accomplishments which comes to few men.

With every good wish for the future,
I am

Sincerely
